ABOUT US

Movemint

Growth & Personalization for Financial Institutions

Movemint embeds intelligence directly into digital banking and human-assisted channels — turning everyday member interactions into funded loans, deposit growth, and non-interest income.

Unlike fragmented point solutions, it connects data, offers, channels, and measurement in a single coordinated system.

THE EVENT

Movemint Annual Symposium

Where Financial Institution Leaders Connect, Learn, and Shape What's Next

The Movemint Annual Symposium brings together leaders from banks and credit unions for educational programming, hands-on sessions, and strategic conversation.

It's where institutions share what's working, hear what's coming, and align on how to grow—together.

Media will be onsite to conduct interviews with clients and industry leaders.

THE AUDIENCE

Who Attends

100+ representatives from credit unions and community financial institutions across the country

C-Suite Executives

CEOs, CFOs, and COOs setting institutional strategy and growth priorities.

Lending & Deposit Leaders

VPs and Directors driving loan volume, deposit growth, and product performance.

Member Experience Leaders

Leaders responsible for digital engagement, service quality, and omnichannel delivery.

Our clients include:

THE VENUE

Lakeway Resort and Spa

A quick Uber ride from Austin, TX—or Waymo if you're feeling brave

After the sessions, attendees can relax in the infinity pool, book a spa treatment, or hit the links at the nearby golf course.

With a closing celebration at

5 Soul Winery
